The following resolution was adopted by the Executive Committee of the National Peasant Party meeting in Paris on 22 June 1950:

"The Committee takes note of the memoir of the Council of the Political Parties, dated May 3, 1950, addressed to His Majesty the King.

"The Committee concludes, on the strength of that memoir, that a Presidential crisis has arisen within the National Committee.

"The Committee recommends that its delegates in the Council of Parties take all measures and do their utmost, requesting His Majesty the King in the first place, to arrive at a solution of this crisis at the earliest possible time.

"The Committee takes note with satisfaction of the statement of the Council of Parties to the effect that "in any event, this Council is ready to assume the political responsibility that devolves upon it in the democratic and constitutional spirit, and to propose to His Majesty solutions adequate to the hypothesis of a Committee crisis".

"In such an event, the Executive Committee requires its delegates in the Council of Parties to advise it first, so that it may in good time state its point of view, which its delegates are then to submit to His Majesty the King.

"This resolution was adopted by all members of the Executive Committee, with the exception of Messrs. Mihai Raut and Alexander Bunesou, who at paragraph 2 of the resolution formulated the following separate opinion: "They are of the opinion that we are in the presence of a crisis of the Committee as a whole, not only of the Presidency. To remedy this situation, a broadening of the Committee is called for".
